## **Vanished Institutions: Life and Death of Europe's International Organisations**

*Prof. Dr. Kiran Klaus Patel & Prof. Dr. Kenneth Weisbrode, Bilkent University*

Why do international organisations cease to exist? This project examines the history of the “death” of international organisations, including the causes of lethal crises and the consequences of an organisation’s demise. Focusing on case studies from Europe’s “long” 20<sup>th</sup> century, the project will lead to a special issue publication (proposal accepted by Journal of Modern European History).

After a first exploratory online workshop in June 2022, a second workshop will discuss draft chapters of this special issue (scheduled for May 2023, Munich).
