DFG Research Group Cooperation and Competition in the Sciences: The Framework Programmes of the EU: Gaining Importance through De-Economization?

Prof. Dr. Kiran Klaus Patel, David Irion, M.A.

The project investigates the emergence and development of European research policy on the basis of the history of the Framework Programmes (FP) of the European Union and the European Community as its predecessor. It is part of a [DFG-funded Research Group](#) examining cooperation and competition in the sciences and the humanities (spokesperson: [Kärin Nickelsen](#); PI of this project: Kiran Klaus Patel; researcher: [David Irion, M.A.](#))
